

Exercise And Reflection To Do At Home Prior To Commitment Sunday

1. List out the financial commitments that you currently have—those that go beyond a one-time payment but that have a time duration to them. Examples would be a home mortgage, a lease agreement, a car loan, a cell phone contract, your child's tuition for school, your own tuition for school, etc.

2. Now write out the commitment you are planning to make for the Cannonball initiative. Where does it fall in the priority of these other commitments? Do you need to change or modify one or more of these other commitments in order to be able to fulfill your Cannonball commitment?

3. What if you wanted to raise your Cannonball commitment? What would that require?

4. If someone who didn't know you looked at your financial commitments, what would they say that you value? Would that statement be true about you? Or is there something that needs to be explained or modified?

5. If you keep this commitment over the next two years, what type of spiritual transformation will that cause in you?

6. How will you leverage this change to influence and create ripple effects among others such as your children, your co-workers, your friends, your family, others in your circles of influence?

7. Pray over your Cannonball commitment and that God will give you the faith to see it through and that it will be abundantly and joyfully honoring to Him as we seek to continue to fulfill His mission on this earth.
