

WAVES THAT GO BEYOND WALLS

Community family, I was so proud of our church as we launched the Cannonball initiative last fall. It was truly amazing to watch so many of us go before God and ask Him what He would have us do to go “all in” with our financial generosity, then take huge steps of faith by responding to His leading!

Do you feel opposition, fear, or reservation yet? If so, you are not alone and this is normal! Whenever we choose to take big steps of faith in following God, the enemy attacks, fear peeks its head, and reservation mounts. This is why the writers of Scripture constantly talk about faithful perseverance, because through it we see God, feel His presence, and experience transformation that can only come from Him.

So, as we continue this 2-year journey, my words to all of us are: FAITHFULLY PERSEVERE!

Throughout the Cannonball initiative over the next two years we will be sending these quarterly reports to tell you how your generosity is generating transformation in people’s lives, our church, and around the world. I pray these reports help you faithfully persevere. I am so proud to be on this journey with you!

SPRING 2019

UPDATE

wave of MINISTRY

The past three months have been AMAZING for our church family! Record attendance at our Christmas services in December. *21 Days of Prayer* provided a great start to 2019. January ended with an exciting Decision Day and so far in 2019 we've celebrated 68 baptisms and 201 new members! CommunityKIDZ had their annual Winterfest and 3C Youth had separate WKND events for middle school and high school students. And we were excited to host the Watoto African Children's Choir in February!

wave of EXPANSION

The design for our exciting new building for children and youth is finalized and we made application several weeks ago for our building permit with the City of Tamarac. We are hoping to receive the building permit in the next couple of months, after which we will break ground and begin construction.

wave of OUTREACH

Your Cannonball contributions are already starting to make waves in other parts of Florida:

- A \$50,000 special gift from Community was delivered by Pastor Scott to Greg Ingram, the Pastor of Miami Church, a church we have been supporting since their launch.
- In January we committed \$100,000 over the next 3 years to help launch Connection Point Church, a new church plant in Pensacola, Florida! Connection Point will hold their first service on Sunday, April 7.

As Community continues to make a big splash in South Florida and with these two church plants in other parts of our state, we also want those ripples to go around the world. Associate Pastor Bill Davis recently returned from a scouting trip with Pastor Jose Rodriguez and we are looking forward to help plant a Christian Church in a growing community in Panama City, Panama. We will partner with Lifeline Christian Mission and with Pastor Jose, who is from Panama and has been successfully planting churches in El Salvador for the past 13 years.

Consider joining a team from Community on a mission trip to Panama August 4 - 10 to meet people in the community where the church will be planted and put on a KIDZ Camp that will draw families for the purpose of getting to know them. The new church will launch at the beginning of 2020.
