

Community family,

It has been amazing to get a front-row seat to all that is happening in and through Community over these last several months.

More people are getting baptized and growing in Jesus, more young people are being shaped into who God is calling them to be, more marriages are being restored, more outreach is happening. I feel we are in an unprecedented season of growth in the life of our church, and I am so privileged to witness it! I pray you see it as well.

I recently participated in a video call with a mission organization whose missionaries are baptizing thousands of people in areas around the world in which the name Jesus is not known. In our next Cannonball quarterly update we will be sharing about how we plan to partner with this mission organization in a HUGE way as part of the Cannonball Wave of Outreach so more people will be in heaven one day. God is bringing waves of opportunities to us we didn't even know existed. Thank you for your continued generosity and faithfulness!!!

I also love hearing how God is working in and through the lives of many in our church family on this Cannonball journey. On Sunday, June 9 we shared the story of Logan and Brandi Bronniman. If you missed it, you can watch the video at

WAVES THAT GO BEYOND WALLS

communitycannonball.com. I just love their faith, their trust and their commitment. They made a two-year Cannonball commitment knowing that their family would not be here when the new building was completed because of their upcoming relocation due to his role with the U.S. Coast Guard. When I think about their commitment, I am reminded of the quote: "They plant trees under whose shade they will never sit." That is commitment! That is so honorable! May we all be encouraged to have this type of sustaining faith.

May God bless you this summer as you continue to jump in and make waves, both here in South Florida and around the world. We are grateful to be on mission with you!

All in,

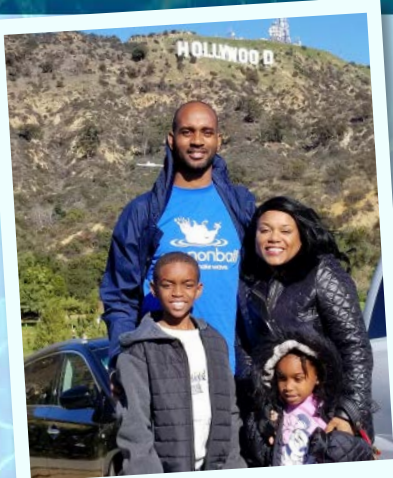

Scott Eynon

SUMMER 2019

cannonball STORIES

On Sunday, June 9 we shared the Cannonball story of the Bronniman family. We would love to hear from you! How has God been working in your life through Cannonball? Go to communitycannonball.com/your-story to tell us your Cannonball story.

AUTOMATE YOUR GIVING

Summer is a life-changing time of the year for our church with KIDZ Camp and the CIY MOVE Conference for our students. Summer is also the time of year when our church has its highest expenses but lower attendance and offering. When you automate your giving you help your church family stay financially strong throughout the summer. Visit the Online Giving web page (communitycc.com/onlinegiving) to find out how to create a login so you can set up an automated, repeating gift as you go "All In" in fulfilling your Cannonball commitment.

wave of MINISTRY

The past three months since our last Cannonball update have been GREAT! Our *At the Movies* message series was a HUGE success - adult attendance grew by an average of 375 adults in March over February! The new CommunityKIDZ event, Easter Jam, was fantastic with 860 in attendance. We set an all-time record for Easter week attendance with 7,718 attending our Good Friday Night of Worship and six Easter services!! And in May, 63 were baptized as part of Beach Baptism, bringing the year-to-date total of baptisms to 142 and 285 new members becoming part of the Community family!

wave of EXPANSION

The approval for a building of this size is, unfortunately, slower than we would like. After much back and forth between the City of Tamarac and our construction team, we expect to receive approval and the issuance of the building permit sometime in June. We are excitedly moving toward the start of construction in early August. **Mark your calendar for a very special Groundbreaking Service on Sunday evening, July 28 at 7:30 PM**, following our usual 6:00 PM service. You'll not want to miss this important moment in the life of our church.
