

Community family,

Throughout my 25+ years as the Pastor of Community, I've had the opportunity to be a part of some important moments in the life of our church. The Groundbreaking Service on Sunday, July 28 was another AMAZING time for our church family!

While the service was taking place I knew it was a memorable night, but it wasn't until I was at home a couple of hours later and reading the many posts on social media that I realized just how meaningful the night was for so many in attendance! I saw several posts of people holding the groundbreaking shovels after the service. I saw pictures posted of the beautiful sunset that God provided to end the evening. I read how so many were moved by the experience of dropping their tile, which included their family name and the names of people they want to see come to faith in Jesus, into the portable baptistery. It was an amazing and spiritually impacting moment for Community!

WAVES THAT GO BEYOND WALLS

I'm so excited for this fall and the start of a new season of ministry here at Community! Let's continue to jump in and make waves here in South Florida and around the world!

All in,

UPDATE

wave of MINISTRY

Summer was an exciting time at Community...especially for our children and youth. Since our last Cannonball quarterly update we had a record-setting KIDZ Camp with 1,599 kids and 392 volunteers over two weeks and enough money raised to build a home for a family in the Dominican Republic. Our High School Ministry took 163 to CIY MOVE in Tennessee and 11 students were baptized. Our Middle School Ministry took 121 students to camp at Lake Aurora Christian Camp and had 8 decisions for baptism. 38 elementary kids attended camp at Lake Aurora with one baptism.

Throughout the summer we had a number of fun Summer Nights at Community events including the very popular International Dessert Night and Hot Rods & Hot Dogs events. Over the past few weeks, over 500 women attended the "Be Still and Know" kickoff event for a new season of Women's Ministry and over 300 attended our most recent FX: Family Experience. We're EXCITED for the Fall and an exciting new season of ministry at Community!

wave of EXPANSION

We received approval for our building permit by the City of Tamarac just a couple of days before our Groundbreaking Service on Sunday, July 28 and over the past few weeks have been finalizing our approval by Broward County. Last week we met with our construction superintendent and project manager from The Weitz Company, our construction company, and plans were made for the placement of the construction trailer and fencing that will surround the construction area.

wave of OUTREACH

In early August, a group of 24 from Community took our first-ever mission trip to work with Pastor Jose Rodriguez and Lifeline Christian Mission in their efforts to plant a church in Panama City, Panama. Pastor Jose is a very effective evangelist and church planter who over the past 14 years in El Salvador planted 11 churches and 72 house churches and saw 2,000 people accept Christ and be baptized!!

Pastor Jose has moved back to his home country to plant a church that will become a significant church in Panama City. Our team was able to help Pastor Jose run a Kids Camp for 500 kids from a local school and the community where the church will be planted. Pastor Jose now has hundreds of contacts that will become the core of the new church. In fact, he already baptized a young couple the day before our team arrived. The church in Panama has begun!!

Your Cannonball generosity allowed us to make a financial commitment of \$100,000 to this church plant between now and the end of 2020 so we can start making huge waves in the country of Panama.
