

# WAVES THAT GO BEYOND WALLS

## Letter from Pastor Scott

By the time you receive this in your mailbox at home, we will have been meeting for worship online-only for five months. Our Leadership Team met in late July and again decided, based on the latest numbers of new coronavirus cases, to postpone our plans for regathering for in-person services for the month of August.

As much as I've missed seeing you and gathering for in-person worship services, we have NOT written off the past five months! **Even though we have not met on-campus, Community remains on mission: to change the world, one person at a time.**

We continue to offer a high-quality, online worship experience for you and creative online programming for your children and students. What's exciting is that more people are engaged with these online experiences each week than we had previously attending each week in-person! I'm so proud of our ministry staff and all that they have done to innovate in this unusual season. **Please read the Wave of Ministry update on the other side of this newsletter for some of the exciting news about what has been taking place this summer** for our adults, kids, and students and the impact we have been able to make for those living in our local community!

Because we were not gathering in-person this summer, we gave the green light a number of months ago for our construction company to begin the renovation of our existing building in

addition to the construction of the new NextGen Building. We are so excited to see the progress being made and we have been told to expect the completion of both the NextGen Building and the renovation of our existing building by mid-September!!

**Community family, thank you for your faithful giving to God this year, and especially during these past five months!** Your giving now and through the end of this year is so very important as the construction for our Cannonball Wave of Expansion comes to a close.

While we have some catching up to do to reach our Cannonball goal, we know God is faithful and we invite each Community attender to seek Him for what they can do to help reach that goal. We are so thankful for each and every person's part in this journey!

**Let's continue to jump in and make waves!**

All in,

Community  
CHRISTIAN CHURCH

jump in. make waves.

## cannonball STORIES

Each month we desire to share video stories of people on the Cannonball journey. We would love to hear from you! How has God been working in your life through Cannonball? Go to [communitycannonball.com/your-story](https://communitycannonball.com/your-story) to tell us your Cannonball story.

Did you know your employer may double your contribution to Community? Here are some of the local employers that participate:

ADP, AMC Entertainment, Apple, AutoNation, Bank of America, Capital One, Chevron, Citrix, The Coca Cola Company, Darden Restaurants, Disney, Motorola, FPL/NextEra, General Mills, Gilead Sciences, Goldman Sachs, Google, IBM, Macy's, McKesson, Merck Pharmaceuticals, Microsoft, Morgan Stanley, NFL, Nordstrom, Pfizer, Republic Services, Starbucks, Toyota, Verizon, Volkswagen America, Wells-Fargo. Visit [communitycc.com/matchinggifts](https://communitycc.com/matchinggifts) to use the easy search tool to see if your employer may match your gift to Community.

SUMMER 2020

cannonball  
UPDATE

# wave of MINISTRY

Because of the COVID-19 pandemic, this summer has looked like no other summer in the history of Community. The usual summer events for Community Kids and Community Students —Kids Camp, Summer Camp at Lake Aurora, and the Christ In Youth MOVE Conference—did not happen in the way we're used to. Despite that, our Kids and Students teams did a GREAT job of planning online alternatives. Community Students held two back-to-back weeks of their online Revive Camp and had over 230 students involved. The best news of all about Revive: 10 students have decided to follow Jesus and be baptized into Him! The 2020 Kids Camp moved online, too, and we had nearly 400 preschool and elementary kids registered to participate in this online program. Our Women's Ministry held its first online-only event on Saturday, August 1 with over 500 women watching from home. And our Outreach Ministry has been busy this summer, hosting monthly food distribution events in partnership with Feeding South Florida, the City of Tamarac, and Broward Sheriff's Office.

# wave of EXPANSION

This is one of the latest aerial photos of the NextGen Building taken from the south.

The current building is in the process of being painted to match the new building, a combination of gray, white, and blue.

This large space is for our kids K - 5. This room will be divided by an operable wall into two separate rooms where our elementary children will have their worship experience and break down into small groups.

This large space is where our middle school and high school students will meet for worship. The stage will be in the left corner and the rest of the room will be wide open for LIFE Groups to break out and meet together

This photo is taken from the second floor outdoor Terrace looking down into the Courtyard. On the right is the new outdoor baptistery. On the left, you'll notice the columns that will support the covered walkway that will connect the NextGen Building with our existing building.

The back wall of the Auditorium has been removed and work is taking place behind a temporary wall, creating the area where hundreds of additional seats will be added. These areas will have operable walls that can be moved into place to allow these areas to be used for LIFE Groups and other meetings during the week.

This is the hallway that will take preschool parents to four of the five large preschool classrooms.

The areas in our existing building for our nursery and toddlers are being renovated to create a better environment for our youngest attenders.

# G O A L U P D A T E

**Total Cannonball Commitments: \$16,565,648**

**Total Cannonball Giving to Date: (12/1/2018 - 7/26/2020):**

**Actual to Date: \$10,126,930**
